Exclusive Villa Escape

Exclusive Escapes

These three villas are set on a steep hillside with sweeping views over Fiscardo harbour and across the sea to Ithaca.

Fiscardo View Villas are, without doubt, the highest quality villas in Fiscardo. They are not only spacious and comfortable but they offer incredible vistas, and their superb location means that Fiscardo harbour is only a short walk away and the beaches beyond are also within easy reach.

Great care has been taken to ensure that each two-bedroom villa has complete privacy and takes full advantage of the magnificent views across Fiscardo and the bay.

Each villa is spaciouly laid out over two floors, with many outdoor terraces on which to relax and admire the spectacular views. The decor is contemporary, elegant and minimalist yet entirely in keeping with the region's style – rustic with a modern twist, if you like!

The villas are intended for private use when taken individually – however if taken in combination they are ideal for friends and extended families travelling together.

Inclusive Vehicles

As the flights arrive in daylight hours and the road infrastructure is so good, for your convenience and independence we recommend that you collect and return your vehicle from the airport. Clear driving instructions will, of course, be provided. Should your party have more baggage than is suited to your vehicle we have a special delivery service that will arrive at your property shortly after yourselves.

Should you prefer, as long as the instruction is the same for arrival and departure, you may choose to have your vehicle delivered and collected to/from your property. In this case we will transfer you to your property and will endeavour to have your inclusive vehicle available during the course of the day or, if that is not possible by 10:00 the following morning. The vehicle will be collected from your property at approximately 09:00-11:00 on the day of your departure.
