Exclusive Escapes

This brand-new villa is being created from the two-hundred year old remains of an old village house. We believe the location in combination with the character of the renovation will result in the creation of one of the most special houses in Cephalonia.

The cottage looks over the folds of the cypress-clad hills in front to the glistening sea below. The layout is designed to take full advantage of the magnificent scenery whilst providing considerable space both inside and out for guests to relax in comfort.

The décor will be elegant and minimalist yet entirely in keeping with the character of the building – however, it is the pool and wild garden terraces, with their stunning views that will be the highlight of this exciting new property.

The cottage is the creation of a good friend and colleague of ours – Panagis – who has a reputation for vision and creativity of the very highest standards. Qualities we can most certainly vouch for as we exclusively feature his other creations, Villas Gaëta, Robertos & Ruggero together with the exquisite Lemoni Cottage.

The location in the sleepy hamlet of Vigli is idyllic. The beaches and tavernas of the Erissos peninsula and the picturesque delights of the harbour at Fiscardo await your exploration. In the other direction lies Assos, which is a short drive away, and beyond that the many other attractions of the island of Cephalonia await.

BEDROOM 2: A twin-bedded room with en suite shower/WC.

BEDROOM 1: The master bedroom is a highlight of the property with the room designed around the original wine store. This room will have a king size double bed, seating area and en suite shower/WC.

French Windows open from the master bedroom onto the courtyard terrace, which in turn leads to the pool and garden terraces.

A door leads from the sitting area onto:

THE POOL & GARDEN TERRACES

The shaded courtyard terrace extends from the master bedroom along one side of the house and leads down to the pool and garden terraces. Areas are to be created in the grounds around the property to ensure guests are able to enjoy the sun and shade as preferred throughout the day.

The pool is intended to be a feature of the property blending into its surroundings and ensuring that many hours can be spent dining alfresco, relaxing poolside and simply enjoying the stunning surroundings.
